**DISCOVERY
MEMORDANDUM**

The Reverend L.M. Whidden was interviewed on August 3, 1998 in regard to the memorandum of his statements of Monday, July 21, 1998.

Reverend Widden confirmed the statements except for minor changes. He specifically noted that at the time Ronnie Kimble told him he had killed his sister-in-law Widden had completed one semester of his studies at Liberty University. He stated he dropped out of school after Ronnie Kimble admitted killing his sister in law. Widden later returned to Liberty Bible Institute and completed all but one semester. He did not complete his studies due to the fact that the courses he needed were not available at that time. He has since become a full time pastor and feels that it would be impractical for him to finish his studies at this time.

Reverend Widden indicated that the person he talked to was Rev. Jerry Falwell, who was his pastor and Reverend Falwell referred him to other officials of the University including his son Jerry Falwell Jr. who is the attorney for the University.
