

*falwell *fallwell

ronnie came to see you that week

did he talk to you abt. possibly coming to liberty

did he talk to you abt. recieving the lord's call to go into the ministry

did you notice anything unusual abt. demeanor

did he seem troubled

did he seem burdened

what did you advise him abt. receiving the lord's call

when mitch talked to you it was at a basketball game

so it was not in your office

did he mention any names

did he talk to you abt. dropping out of school

I know you make an effort to know each of your students on a personal level, but would you say that you knew mitch well

what did you tell abt moral obligation

Must have come as blow
