**INFORMATION FOR WITNESS**

**The Subpoena**

The subpoena is a court order requiring you to appear in court on the day and at the time stated. You have been called (subpoenaed) to court to be a witness in a case.

**Duties Of A Witness**

Unless you are a custodian of medical or public records, you must attend court on the day and at the time stated in this subpoena. Unless otherwise directed by the presiding judge, you must answer all questions asked when you are on the stand giving testimony. Your answers to questions must be truthful.

If you are commanded to produce any items, you must bring them with you to court.

If you have any questions about being subpoenaed as a witness, you should contact the attorney or official who had the subpoena issued. The name of this person is on the other side of this subpoena form.

**Understand The Question And Speak Out**

When you are on the witness stand, listen carefully to any question, and make sure that you understand the question before you try to answer it. If necessary, ask that the question be repeated.

In answering questions, speak out clearly and loudly enough to be heard. If you are testifying before a jury, speak out so that all of the jurors can hear you.

**Bribing Or Threatening A Witness**

It is a violation of state law for anyone to attempt to bribe, threaten, harass, or intimidate a witness. If anyone attempts to do any of these things concerning your involvement as a witness in this case, you should promptly report that to the district attorney or the presiding judge.

**Witness Fee**

A witness is entitled to a small daily fee, and to travel expense reimbursement if it is necessary to travel outside the county in order to testify. (The fee for an "expert witness" will be set by the presiding judge.) After you have been discharged as a witness, if you desire to collect the statutory fee, you should immediately contact the clerk's office and certify to your attendance as a witness so that you will be paid any amount due you.
